Sir:

In response to the Office Action dated July 19, 2004 in which the Examiner has required a restriction, Applicant responds by electing Group II, *i.e.*, claims 8-12. Applicant would like to point out that non-elected claims 1-7 have been examined in parent application no. 10/271,986 and are now patented in patent no. 6,751,084. These claims were inadvertently not canceled in the Preliminary Amendment of January 2, 2004 but have now been canceled herein. Prior to examination, please amend the above-identified application as follows on the accompanying pages.
